

PROFILE

I am Gerald C. Gavarra

A third-year college student taking Bachelor of Science in Information Technology at Sorsogon State University - Bulan Campus.

I am 21 years old and I live in Tabunan, Matnog, Sorsogon. When i was in high school all i want to study is about what's in the computer or inside of every website so i dreamt of being a Web Developer and i decided to take an IT course because it is related to what I dreamt of and it can help me to achieve it.
